Deadline: 31st December 2009 (date of post stamp)

Each participant will receive a contest diploma with his/her classification and a list of participants with their results. The first three participants will be awarded non-cash prizes; three additional prizes will be drawn into all participants regardless to their scoring.

In **Part 1** listen please to any BC station of the contest country, for 15 minutes at least. For one country one log only. Unofficial, pirate and clandestine stations are not allowed.

Scoring: 1000 points of each logged country will be divided by a number of logs and rounded to two decimal places. Maximum point value 200 points for one country.

In **Part 2** you can raise your score by listening to any DX programme. The number of DX programmes is limited to 10! No particular country limit. Scoring in the same way as in Part 1, maximum point value 100 points for one DX programme.

Full value of the **Quiz** questions is $\frac{1}{10}$ of the points reached in Part 1 + Part 2. Example: If your point value of Part 1 + Part 2 is 1000 points, and you reach 65 quiz points, then you can raise your total score to $1000 * 1.065 = 1065$ points.
