In this issue contributions from 17 members from 09 countries.

Many thanks for your cooperation! Several members have heard the stations in various places. I only mentioned if space allowed. When sending your QSL entries via email, please always name the subject "QSL-corner" - thanks. Layout materials in high solution are always welcome. I have received lots of pics for this issue. Unfortunately I couldn't use all. Best wishes for the new year!

New pennant from Radio Taiwan International
